

# El Cajon's Summer 2020 Recreational Programming

## Help Shape El Cajon's Summer 2020 Recreational Programming

The El Cajon Parks & Recreation Department wants your feedback regarding summer classes, in-person camps, and summer virtual camps and classes. We are currently preparing for summer programming and actively monitoring County, State, and CDC guidelines in order to provide as much of a safe and sanitary environment for youth as possible.

Staff are assessing program and facilities for social distancing opportunities and securing supplies (i.e. sanitizers, soaps, scanning thermometers, individual camper sets of class/camp supplies). The department has been developing classes, an in-person camp model that implements social distance protocols and potentially virtual summer camp classes that would consist of programming provided through Zoom or another online platform. Your honest feedback will help us shape what summer looks like for the El Cajon Community. We appreciate and value your feedback.
